Cakes for Cause Cupcake Contest
Registration Form

Calling all Cupcake Artists! Cakes for Cause is holding a postcard design contest this summer. If you've seen us in the community, you may have picked up one of our marketing postcards. This is the first in a series of original "cupcake art" that we'll display in our retail space when it opens, and we're inviting you to submit a design for our next postcard run in the early fall.

The criteria for submissions is as follows:
- Submit original artwork (click here for the submission form) on 8.5 x 11 inch paper
- You must include the phrase "Cakes for Cause" and "Stirring the Spirit of Community" in your design
- Submissions due by Friday August 22nd by mail or by email

Our panel of 3-5 judges will review all the pieces and make a final decision on a winner by September 10th. Our designers will contact you to prepare your art for printing and we will run 500 postcards with your design on it to hand out to the public. You will receive 25 postcards to distribute as you wish and we will acknowledge the winning artist by name on the back of all the postcards and on our website. This contest is appropriate for all ages and the submission form includes an age range. Get your crayons out and start drawing!

You may submit via email to cakesforcause@gmail.com, drop off your submission at the Farmer's Market on Saturdays or mail submissions to Cakes for Cause, P.O. Box 3452, Frederick, MD 21705.
Registration form must be attached to cupcake art submissions.

Name: _____

Address: _____

Phone Number/Email: _____

Age Group:
_____Under 12
_____12-18
_____Over 18

All cupcake art becomes the property of Cakes for Cause. We're sorry, we cannot return submissions.
